DESCRIPTION

MasonrySaver Cleaner & Degreaser is a super concentrated alkaline-based cleaner formulated to clean a variety of masonry surfaces including concrete, brick and stone. MasonrySaver Cleaner & Degreaser penetrates deep into the substrate to remove petroleum-based contaminants such as oils, dirt, grime and even efflorescence. It is an environmentally safe, biodegradable alternative to other harsher products, such as phosphoric acid or acid-based cleaners.

USES

MasonrySaver Cleaner & Degreaser cleans these surfaces:

- Loading docks
- Garage floors
- Driveways
- Parking garages
- Industrial floors
- Machine shops
- Auto repair facilities.

ADVANTAGES

- Non-toxic
- Deep penetration
- Will not harm drains, plants, or environment
- Pleasant odor
- Does not leave residue

DIRECTIONS FOR USE

Limitations: Do not use on composite floors, water-base painted surfaces, or aluminum.

Dilution: Use ten parts water to one part cleaner for: Counter tops, painted walls, bathrooms, woodwork, linoleum, automobiles,

tile floors, storm doors, boats, and garbage cans.

Full Strength: Use full strength for Floor wax, heel marks, smoke film, grease, finger prints, and ovens.

APPLICATION

For general cleaning of dirt, grime, spots and stains, simply spray MasonrySaver Cleaner & Degreaser on the area to be cleaned, wait a minute or two and wipe off.

For oil stains on concrete floors and driveways, do not dilute the product or pre-wet the surface. Apply MasonrySaver Cleaner & Degreaser full strength by pouring or spraying to the areas to be cleaned. Work the cleaner into the stained area using a stiff broom or nylon brush. Allow the product to work for approximately 20-30 minutes before rinsing. Rinse with clean water. Rinsing with high pressure water and with heated water will expedite cleaning. For severe stains, multiple coats of cleaner may be needed.

CLEAN UP

Thoroughly rinse all equipment with clean water.

CAUTIONS

Keep out of reach of children. Contains alkaline detergents. The use of protective gloves and chemical splash goggles is recommended. Wash thoroughly after handling.

FIRST AID

If inhaled: Remove to fresh air. Call physician immediately.

If swallowed: Dilute with milk or water. Neutralize by taking two tablespoons of vinegar.

For skin contact: Wash off immediately with plenty of water. If skin irritation persists, call a physician.

For eye contact: Rinse thoroughly with plenty of water, also under the eyelids, for at least 15

minutes. Seek immediate medical attention/advice.

For additional information for this product, consult the Safety Data Sheet available at www.masonry saver.com.

LIMITED WARRANTY

Our recommendations for use of this product are based upon tests believed to be reliable. Since field conditions vary widely, the user must determine the suitability of the product for the particular use and specific method(s) of application. Due to the fact that SaverSystems has no control over surface preparation and application methods, no guarantee as to results is offered, expressed or implied. SaverSystems warrants this product to be free from manufacturing defects. SaverSystems' liability shall be limited in all events to supplying enough product to re-treat the specific areas to which defective product was applied. This warranty does not include the cost of labor application. SaverSystems shall not have any other liability including direct, incidental, or consequential damages. Some states do not allow the exclusion of incidental or consequential damages, so this limitation may not apply to you. This warranty gives you specific legal rights. You may also have other rights which vary from state to state.
